\*\*\*Please note: Brushy Fork Baptist Church staff are not permitted to administer medicine to campers. Please contact the Day Camp Director if your child requires medication during the day.

**ALSO:** Many parents of children who take medication to control hyperactivity/attention deficit disorders decide to give their children a break from it in the summer. While we recognize this is a decision to be made by parents, we strongly advise against this for children attending camp. Camp requires children be able to follow instructions and pay attention to their surroundings.

## Behavior Management Policy

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this camp will practice the following discipline and behavior management policy.

In order to create a safe and fun atmosphere at Brushy Fork Baptist Church, campers are asked to follow the behavioral guidelines during camp. Parents/Guardians and Campers must read and Parents must sign this agreement prior to camp attendance

1. I will treat everyone at the camp community with respect at all times, including showing respect for another's personal belongings, privacy, and feelings.
2. I understand that harassment or bullying based upon race, color, religion, creed, sex, national origins, age, or disability is a form of discrimination that is **NOT TOLERATED** at Camp
3. I will respect Camp and the Brushy Fork Baptist Church facilities and equipment and I will not take or destroy camp property
4. I **WILL NOT** use obscene or foul language, gestures, or engage in any activity which may put me, other campers, or staff at risk.
5. I agree to abide by the rules and regulations of the camp and understand that I am expected to follow directions and guidance provided by the camp staff.

The Brushy Fork Baptist Church Camp Staff uses the disciplinary practice of "time out", and or a logical or natural consequence. "Time out" is the removal of a child for a short period of time 3 to 5 minutes from a situation in which the child is misbehaving. The "time out" space, usually a chair, is located away from group activity but within a counselor's sight. During "time out" the child has time to think about the misbehavior, which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the counselor discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown to the other children. At times it will be appropriate for staff to utilize a natural or logical consequence instead of "time out" depending on the offense.

### **The Brushy Fork Baptist Church Camp Staff will not use:**

1. Any means of corporal punishment for disciplinary measures (i.e. spank, hit, slap, etc.)
2. Any type of verbal abuse (i.e. makes fun of, yells at, threatens, etc.)
3. Related discipline to eating, sleeping, or resting
4. Leave the children alone, unattended, or without supervision.
5. Place the children in locked rooms, closets, or otherwise restrain a child as punishment.

Parents will be notified of any recurring behavior problems that the child/children may have. A staff/parent meeting may be necessary if a child's misbehavior persists. If this meeting does not solve the problem, camper suspension may be necessary.
